EDUCATION

Emerson College

Boston, MA
B.A. Theatre Studies | 2013

General Assembly

Boston, MA
Software Engineering
Sept - Dec 2019

EXPERIENCE

General Assembly

Software Engineering Immersive | Sept 2019 - Dec 2019

- Full time 500+ hour, 12-week Software Engineering Immersive Program.
- Executed front and back end web development within short 3-4 day timeline while utilizing Git for version control.

Tic Tac Toe: Created game logic with Javascript, integrated site with API, and utilized front end developmental concepts using jQuery, HTML, CSS & Bootstrap .

Wine Journal: Full-stack development. Implemented RESTful API with Rails & PostgreSQL, designed and constructed client-side with Javascript, CSS, jQuery, Bootstrap, & Handlebars.

BOS.EATS: Full-stack, 3-day sprint, team project with agile development. Focused on front-end components while serving as quality control for back-end. Executed with above technologies with the back-end on Express, MongoDB, & AWS

Asking For A Friend: Full-stack, capstone project. Built primarily with React, Bootstrap, Express & MongoDB. API developed and tested with Postman. A Q & A application with a side of kindness and community.

Waypoint Server | Mar 2018 - Sept 2019

Townsmen AM Server | Sept 2016 - Jul 2018

Tico Server | Jun 2012 - May 2018

- Offered hospitality-driven service in upscale casual setting.
- Trained new staff members on food & beverage programs.

Boston Lyric Opera

Audience Development Intern | Oct 2010 - Dec 2010

- Provided administrative support: file management, mass mailing, archives update, and online event listings.
- Ambassador for Student Subscription Program.

Starbucks

Barista | Jul 2007 - Sept 2015

- Delivered high-quality customer service. Played an integral role in customer retention and loyalty.
- Certified Barista Trainer.
